The best way to use this book is to read it out loud with your child, pronouncing the words in each sentence carefully. Talk with your child about what the sentence says, and ask the child to show you where the first word in the sentence is. Ask your child what the first letter is and what sound the letter makes. Ask the child which pictures he or she likes the best. Help the child to see how all the pictures and words in the book are about the same topic, and ask him or her questions about that topic. Show your child familiar words and see if she or he can sound them out. Ask your child to retell the story to you and encourage her or him to talk about it. Encourage the child to read the book on his or her own, as often as he or she wishes.
